

WEBINAR SERIES

**WHEN: THURSDAY, FEBRUARY 9TH @
10:00AM**

**PRESENTER: ALFREDO SALKELD
Co-Founder/Operations Manager
Buddha Bee Apiary**

**What You Need to Know About Bringing Bees to Your
Building**

A growing number of real estate professionals are turning to done-for-you honey bee hives as a low-lift, high-impact investment to make their properties more sustainable. Learn more about this trend and get crucial information you need to decide whether or not hives would bring value to your property. In this session, we'll cover:

- Why commercial real estate companies are installing bee hives
 - How honey bee hives can engage and attract tenants
 - Factors to consider when deciding if hives are a good fit for your properties
 - Common misconceptions about honey bees as a service
-

ZOOM LINK WILL BE PROVIDED THE WEEK OF WEBINAR
